BOOK SYNOPSIS

This is a history book that studies the thought and actions of José Gervasio Artigas throughout the decade of his prominence (1810 -1820) as leader of the Federal League, which united his native territory of Uruguay to four neighboring provinces in today's Argentina. This was the period when the Spanish king's abdication propelled elites across that country's former American colonies to hastily construct new local institutions to carry on governing functions and to assure order and stability. Within a few years that new leadership had to do battle against the armies sent by Spain's new leadership that attempted to reassert its control. In the Banda Oriental—today's Uruguay—Artigas, with democratic and egalitarian values, enjoyed wide support among the rural poor as well as the landed elite. His military victories over the Spanish, and then his successful defense of provincial autonomy before the imperialist ambitions of Buenos Aires, account for the spread of his influence to neighboring provinces and the creation of the Federal League. His short-term successes infuriated powerful elites in both Buenos Aires and the Portuguese colonies of today's Brazil. These, allied to the newly potent British empire, then collaborated to bring about his defeat. Artigas' career, as seen in retrospect, was riddled with contradiction and ambiguity, yet his record of achievements is worthy of remembrance and honor. The book provides information, largely ignored by previous historians, about his important dealings with three central figures in Argentina's independence movement: Generals Manuel Belgrano, Martín Güemes, and José de San Martín.

ARTIGAS LA ARGENTINA QUE NO FUE SPANISH EDITION - Are you looking for Ebook Artigas La Argentina Que No Fue Spanish Edition ? You will be glad to know that right now Artigas La Argentina Que No Fue Spanish Edition is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Artigas La Argentina Que No Fue Spanish Edition may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Artigas La Argentina Que No Fue Spanish Edition and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Artigas La Argentina Que No Fue Spanish Edition . To get started finding Artigas La Argentina Que No Fue Spanish Edition , you are right to find our website which has a comprehensive collection of manuals listed.
