BOOK SYNOPSIS

Waiting in the training room? Have downtime on the field? Take this portable workbook with you wherever you go to confidently prepare for the competencies required by the BOC and meet the challenges you'll face in clinical and practice. Draw on true-to-life experiences to enhance your critical-thinking and clinical-reasoning skills and effectively evaluate, assess, and diagnose your patients. Clinical scenarios in every chapter mirror the scenarios and related questions you'll find on the certification exam.
