BOOK SYNOPSIS

With the population expanding at an alarming rate, its time for all new dads to take their fair share of parental responsibility and step up to the plate - after all, the hard works already been done! Becoming a dad is a daunting prospect at the best of times, but a first-time dad needs all the help he can get, and thats where Help! comes in. With a combination of expert advice from midwives, health visitors and other professionals, along with first-hand accounts from mums and dads who have been there already, Nick Harper has written a survival guide that will give all new dads the confidence and positivity they need to really enjoy their newfound status - and be brilliant new fathers and partners.
