BOOK SYNOPSIS

You don't know him. But he knows you. Soon he would be able to touch her, to feel the warmth of her blood. And when the time came, nothing would stop him. As D.C. Jennifer Knight investigates a routine stabbing in the quiet town of Haven, she is shocked at what seems like a personal message from beyond the grave. When more bodies are found, Jennifer is convinced the killings are somehow linked. What she discovers is more chilling than she could possibly imagine. The murders mirror those of the notorious Grim Reaper - from over twenty years ago. A killer her mother helped convict. Jennifer can no longer ignore the personal connection. Is there a copycat killer at work? Was the wrong man convicted? Or is there something more sinister at play ... With her mother's terrifying legacy spiralling out of control, Jennifer must look into her own dark past in a fight not only to stop a killer - but to save herself and those she loves. A heart-stopping supernatural thriller to engross fans of Rachel Abbott, Paul Finch and James Oswald. What reviewers are saying about Don't Turn Around 'With a brilliant cast of crime characters, and a plot that was enough to make me feel dizzy, this was a compelling book that I just couldn't get enough of. Every word, every page, every murder, every guess... I couldn't wait for the final piece of the jigsaw to fit into place... the word thrilling just doesn't do this justice.' Becca's Books 'This is a fantastically written story that keeps you on the edge of your seat and I really didn't want to put it down and was gutted when it ended but what an ending it was and one I didn't see coming at all.' It's All About the Books 'This is a promising and well written supernatural detective story, with a surprising twist. One to look out for!' Northern Crime 'Loved this book! A strong, independent, smart heroine and a hair raising plot made this a read in one sitting book!' Books for Avid Readers 'It was truly a great read and well written... I recommend it to everyone that enjoys murder mysteries with a twist.' Word Gurgle
