BOOK SYNOPSIS

His Excellency Global Community Potentate Nicolae Carpathia, no longer pretending to be a pacifist, has ordered every Morale Monitor armed as he prepares to travel along the Via Dolorosa and then onward to the temple, where shocking surprises await. The lines are drawn between good and evil as God inflicts sores upon the flesh of those who have taken the mark. Meanwhile His chosen ones flee to Petra, where they watch anxiously as GC fighter planes appear overhead and bombs begin to fall. A repackage of the ninth book in the New York Times best-selling Left Behind series.
