BOOK SYNOPSIS

Desserts tell a story. Even the daintiest macaron take the person eating it on a sensory journey from first look to last bite. For Caroline Khoo this story begins when an idea for a new dessert design is sparked. *Im Just Here for Dessert* is generously packed with the recipes, techniques and clever styling tips behind some of her most popular creations: armies of pastel-hued meringues, unapologetically girly cupcakes, decadent tarts, statement cakes, mini cakes and tiny ice creams. Master the basic skills and recreate these stunning confections, or use the concept-building processes in each layer of this book to help you uncover your own unique style.
