## BOOK SYNOPSIS

Her mother called it a gift. But for Caitlyn OConnell, the voices in her head are a curse, dooming her career, her marriage, and her sobriety. Now the former cop scrapes by as a private investigator, counting down the minutes until happy hour. But when her sexy former partner (and estranged ex-husband) appeals to her for help with a bizarre murder case, Cait can't say no — to the crime or the man. The last thing Detective Sam Pierce wants is to revisit the past. But the very secret that doomed his marriage to Cait may be the key to cracking this case. Something sinister — and decidedly not human — is terrorizing Memphis, leaving a trail of clues only Cait can decipher. Together she and Sam will venture into a dark world of magic and terror, lured to the brink of reality as they know it — and back into the thrall of their steamy past.
