BOOK SYNOPSIS

As artist and writer Sandy Gingras so aptly points out in the introduction to her book *Thank You*, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. *Thank You* is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, *Thank You* is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.
